**5. COMMUNICATIONS SECTION:**

a. A requirement was levied upon the Commo Section to provide a full-time communicator at [ ] to perform the work presently handled by commercial personnel. The change is justified at this time in view of the increased work load and the expected acceleration of operations.

b. In anticipation of the impending conversion of current cryptographic devices [ ] a training program for Signal Center operators and supervisors has been initiated.

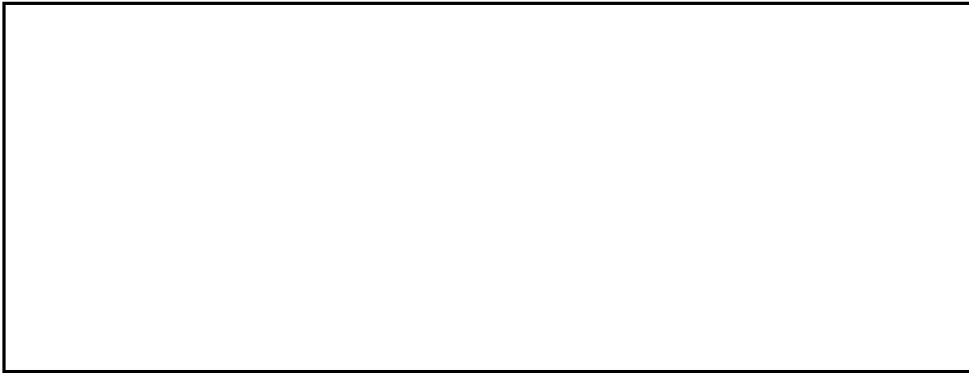

c. The week of May 31 - June 5 was characterized by routine communications with no unusual items to report.

d. Pending Actions: None
